

Frog Pond Water Table

 Age: 2 + years

This excellent outdoor water play table for toddlers doubles as an exciting game. Kids love playing games and making up their own game is so much better; with the Frog Pond Water Table they can do just that! When the frog is launched where will it land, in the water, on a lily pad or on the center tower? Watch as your child has endless fun as they use their imagination with each flip of a frog!

Kids will flip into fun with the toddler Frog Pond Water Table.

Features:

- Children launch the colorful frogs from the launch sites
- Activate the "lazy river" by turning the spinner
