

## Little Tikes® First Slide

 Age: 18 months - 6 years

This Little Tikes kid's slide is just the right size for your little one. Promotes fitness, balance and coordination.

The Little Tikes First Slide is sized especially for younger kids.

### Features:

- No tools required for assembly!
- Steps remove without tools for compact storage and moving
- Kids can use the slide inside or outside
- Must be placed on soft play surface
- Maximum number of kids on slide: 1
- Maximum weight limit: up to 60lbs.
- Safety surfacing or mulch is required that meets or exceeds a critical fall height of 2 feet.
- Assembly Required

Helpful tip when installing the handles on the slide:

- Make sure to forcefully push on the handle until you hear two snaps
- The first snap doesn't seat the handle the second snap does
- Once you hear two snaps the handles are fully engaged
