

Takes the dirty work  
out of vacuuming.

## Clean Base™ Automatic Dirt Disposal

Compatible with Roomba® s Series Robots

### Automatic emptying, now at your disposal

Empties the robot's bin on its own, so you can forget about vacuuming for weeks at a time

### Empties, recharges and heads out for more

Automatically empties and recharges as needed, and then continues cleaning - until the job is done

### Cleaning is in the bag

Enclosed bag holds 30 robot bins of dirt and debris for easy disposal without the cloud of dust

With 25 years of robotic expertise and continuous innovation, iRobot® has optimized our Roomba® robot vacuum to help thoroughly clean floors in homes around the world.

## Clean Base™ Automatic Dirt Disposal features:

### Automatic Emptying

Empties the robot's bin on its own, taking care of the cleaning from start to finish

### Empties, recharges and heads out for more

Automatically empties and recharges as needed, and then continues cleaning - until the job is done

### Forget about vacuuming for weeks at a time

Bag holds 30 bins of dirt, dust and hair, so you don't have to think about vacuuming for weeks at a time

### Disposal without the dust

Enclosed bag traps dirt and debris so it can't escape into the air, for easy disposal without the cloud of dust

### Easy Upgrade

Just install the disposal-ready robot bin (included) and your robot is ready to go!
