

SKYBELL® | TRIM PLUS

WI-FI HD VIDEO DOORBELL

actual SkyBell image

Answer the door from your smartphone.

SkyBell® TRIM PLUS. Cool. Sleek. A great compliment to any doorway. It's an ideal replacement for doorbells mounted on narrow width door trim. SkyBell Trim PLUS is a Wi-Fi video

doorbell featuring the same award-winning* video performance as the SkyBell HD with sharp, colorful HD imaging clearly viewable – day or night.

SKYBELL®
