

Snap Charge

Model: WC-SC3

FCC ID: 2BLYXWCSC3

IC: 33189-WCSC3

SKUs: WC-SC3-BLK-001 (Black), WC-SC3-CRG-001 (Crocodile Green), WC-SC3-ORC-001 (Crushed Orchid)

What's in the Box

- Snapcharge (WC-SC3)
- [NOTE: Required 20W USB-C power adapter not included]

Specifications

Weight	<ul style="list-style-type: none">• 87.3g
Size	<ul style="list-style-type: none">• 60 x 60 x 9.2mm (not including cable)
Input	<ul style="list-style-type: none">• 18W
Output	<ul style="list-style-type: none">• 15W charging speed for Qi2 wireless charging devices
Devices	<ul style="list-style-type: none">• Charges iPhone 12 and beyond• AirPods Pro, AirPods Pro 2, AirPods Gen3• Any other MagSafe, Qi1 or Qi2 capable phone

Product Overview

1. Magnetic Qi2 Charger with Soft-Touch surface
2. Premium Milled Steel Base
3. 4 foot built-in braided USB-C cable

Charging Tips

Snapcharge features a magnetic Qi2 charger. To begin charging, simply center your device on the puck and allow it to magnetically snap into optimal charging position.

Snapcharge works with MagSafe, Qi1 and Qi2 enabled iPhones (iPhone 12 and later).

Disposal of Product and Packaging

Packaging: All paper and cardboard based materials may be placed in a recycling bin. Any plastic or foam components are **not recyclable** and should be disposed of with other landfill waste.

Product: Should your product become damaged or defective, and is no longer covered under warranty, please responsibly dispose of the product at your local e-waste collection center. If an e-waste collection center is unavailable to you please contact us at support@ohsnap.com and we will accept your used device back for responsible disposal.

Warranty

Ohsnap offers a 1-year limited warranty for all Ohsnap products. The warranty covers any manufacturing or workmanship defects but does not cover damages that may have resulted from normal wear and tear, misuse/abuse, or modification of the product. If your Ohsnap product becomes defective within the warranty period, we will exchange it for a brand new replacement. We cannot guarantee that the exact style or product for a claim will be in stock at the time that your warranty claim is processed, but we wouldn't want you to be left empty-handed! In this case, we will offer store credit rather than a replacement. The store credit never expires and will be valid for any product found at www.ohsnap.com. For more information on our warranty policy, please visit our Warranty page. Ohsnap will not be liable for any damages that may result from the use of any Ohsnap product. Our warranty does not cover the repair or replacement of property such as electronic devices and/or other personal property.

FCC Statement

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesired operation.

RF Exposure Warning Statements:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment shall be installed and operated with minimum distance 20 cm between the radiator and body.

Statement for IC

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

1. This device may not cause interference.
2. This device must accept any interference, including interference that may cause undesired operation of the device.

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:

1. L'appareil ne doit pas produire de brouillage;
2. L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

Radio Frequency Exposure Statement for IC

This equipment complies with IC exposure limits set forth for an uncontrolled environment. This equipment shall be installed and operated with minimum distance 10 cm between the radiator and body.

Cet équipement est conforme aux limites d'exposition IC définies pour un environnement non contrôlé. Cet équipement doit être installé et utilisé avec une distance minimale de 10 cm entre le radiateur et la carrosserie.
