PRODUCT POSITION

Peter Pepper's Burger is the hottest grill in town, thanks to its classic menu of award-winning puzzles and patties. But when retro gaming's master chef can't take the heat of inventing a brand-new burger, the ingredients that got chopped from Chef Peter Pepper's latest recipe take matters into their own comically oversized gloves.

Out of the trash can leap four nefarious Food Foes, edible enemies with an appetite for revenge! In the ultimate battle of man vs. food, will cook or cuisine reign supreme?

CATALOG DESCRIPTION

In 1982, Chef Peter Pepper and the Food Foes delighted arcade-goers worldwide with the action/puzzler BurgerTime. The classic gameplay returns in a fresh, colorful package full of tasty twists and scrumptious surprises as *BurgerTime Party!* for Nintendo Switch™ system! Iron-willed chefs can individually tackle the solo campaign or join up to three friends in local multiplayer, either by working cooperatively to defeat the Food Foes together, or by taking control of one or more Food Foes to stop the other team's chef(s) from completing their culinary masterpieces. With over 100 jumbo-sized stages and a variety of all-new modes and challenges, however you play, have it your way!

KEY FEATURES

- **A Feast for the Senses** – This wild restaurant is chock-full of carefully crafted stages with new hazards such as icy ladders, conveyor belts, and fiery floors, along with expressive, colorful characters inspired by old-school cartoons, animated in a delectably distinctive style.
- **Stocked Full of Secret Ingredients** – While the original Peter Pepper had only his wits and a pepper shaker, today's top chefs have a whole pantry of weapons to work with. Thwart Food Foes with the ol' pepper spray, scorch them with jalapeno breath, or just throw chicken nuggets at 'em and see what happens.
- **The More Cooks in the Kitchen, the Merrier** – Local multiplayer allows up to 4 players to work cooperatively, or to play against each other by playing as one of the Food Foes such as Mr. Hot Dog, Mr. Pickle, Mr. Egg, and introducing Mr. Donut. Sprinkle in a generous pinch of multiplayer-exclusive powerups like boxing gloves, quickstep shoes, and a time-turning watch to really get cooking!
- **Fast-Paced Matches, Long-Lasting Fun** – Matches unfold in quick, easily digestible rounds across over a hundred varied stages that satisfy players' appetites for action while leaving them hungry for more.
