

**CPS-100****Cuisinart<sup>®</sup> Baby Portable UV Sterilizer**

Designed for maximum ease and effectiveness, this battery-operated Cuisinart<sup>®</sup> Baby Portable UV Sterilizer uses the power of ultraviolet light to eliminate viruses and bacteria. In six minutes, it sterilizes baby bottle nipples, and pacifiers – with no mess or chemicals. Compact and portable for easy storage, the unit is perfect for on-the-go parents who want the comfort and convenience of being able to sterilize oral essentials for babies anytime, anywhere.

- Strong UV light
- Safely eliminates 99.99% of E. coli and other viruses and bacteria in 6 minutes
- Sterilizes a wide variety of oral baby supplies, from bottle nipples to pacifiers
- The clips to hold pacifiers are removable and can be reinserted, allowing to fit larger sized pacifiers to be sterilized
- Portable compact design for easy use while travelling
- Conveniently sterilizes one item at a time
- BPA free
- Blue LED indicator light
- Runs on three AAA batteries (not included)
- Limited 18-month warranty
- FDA-registered device
