

OB24SCD7PX1

Built-in Oven, 24", 3 cu ft,  
7 Function, Self-cleaning

Contemporary

With generous capacity and beautiful contemporary styling, this built-in oven will complement your kitchen design perfectly.

Brushed Stainless Steel with black glass

Dimensions

Depth	22 1/4"
Height	23 9/16"
Width	23 1/2"

Features & Benefits

Generous capacity

With a generous sized internal cavity, you can create several dishes at once using multiple shelves.

Perfect results

Our built-in ovens feature ActiveVent technology for optimized moisture levels, and AeroTech™ for even heat distribution. Get perfect results even when you're using multiple shelves.

Multi-function flexibility

Seven functions including Aero™ Pastry, Aero™ Bake and True Aero™ mean no matter what you're cooking, you've got the right heat to match.

Refined styling

With sophisticated handle styling and stainless steel finish, our built-in ovens are designed to match the rest of Fisher & Paykel's kitchen appliance family.

Cleaning is simple

The self-clean function breaks down food residue at a very high temperature, leaving a light ash that's easily removed with a damp cloth.

Safe and sound

The CoolTouch door features triple glazing and a cooling system that ensures it's safe to touch from the outside – protecting both your hands and the surrounding cabinetry.
