

Performa 400

LMR Two-Way Radio

Sounds like productivity

Productivity means happy guests and effective team members.

Cobra Performa 400 - Two-way Radio Features

A more productive business

Keep your teams connected with high quality communication and range.

Trusted quality

U.S.-based design, engineering, and customer support.

Clear and private channels

2 Channels of LMR Frequencies reduce crosstalk and interference.

Competitive pricing

Crystal-clear communication at a competitive price.

Rugged and weather-resistant

Waterproof, dustproof (IP67), and MIL-SPEC shock resistant for any job site.

Backwards compatible

Eliminate the hassle of integration and use your existing ecosystem.

Long battery life

18-hour lithium-ion battery and swift dock charging for multiple shifts.

Privacy you need

Help keep your communication private with dedicated LMR frequencies.

Great for Hospitality

Focus on enhancing customer experiences by enabling seamless, clear communication among your staff.

Delegate, communicate, and manage your deployed teams with ease using this rugged, professional-grade business radio. With LMR technology rest assured communications stay clear and secure on your own dedicated channels.
