Target Audience

Typing Instructor Platinum and Typing Instructor for Kids Platinum are designed to teach children ages 8 to 12, and adults to touch-type or improve their typing skills. Both programs engage typists in an exciting adventure, packed with education, entertainment, and motivation.

Product Description

The Exciting Way to Learn to Type!

Learn to type on an exciting adventure on Typer Island with Toby and his feathered side-kick Lafitte, or on a World Travel, Time Travel, or Safari adventure. Step-by-step lessons, challenges, tests, and games motivate typists to keep typing to reach the Castle or complete their typing adventure and fill their passport with stamps from each destination.

Typists learn to type by choosing one of several age or skill appropriate Typing Plans. Typist can improve their typing skills quickly and see immediate results. There are a variety of ways to practice typing, with games, lessons, drills, advanced skill-building lessons and challenges, plus engaging Practice Stories and magazine articles once typists have learned all the keys on the keyboard. Typing games are automatically played with just the keys the typist has learned so far, an exclusive feature.

Proven Educational Design

- Multiple typing Plans for all ages and skill levels
- Visual guide hands
- Hundreds of lessons & challenges
- Reports on progress, speed and accuracy

Entertaining Adventures & Games

- Fun and exciting typing games
- Play games with just learned keys
- Practice typing with passages from favorite stories or magazine articles
