^0Monthly savings are calculated with a 1 year plan and 2 plans of 9 months each, based on average of HP ink usage. Details at: http://www.productwb.hp.com/InstantInk. Based on Monthly subscription cost of Instant Ink 700-page plans without purchase of additional sets of pages compared to cost per page to print with the HP+ system. Instant Ink not available in all countries. Subject to monthly page limit of plan selected. Must complete Instant Ink signup within 7 days of setting up the printer with the HP-recommended setup. Change or cancel your plan at any time online. If you decide to cancel your HP Instant Ink plan you can go back to using HP original Standard or XL cartridges. Plan upgrades are effective immediately.

For other brands of paper, HP invests in programs and projects to help manage, protect, or restore forests, including forest restoration, protection or management projects in key regions, for instance Brazil, sufficient to balance any paper used by HP+ customers that may not have been responsibly sourced. 1. Dimensions vary as per configuration
2. Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty.
3. Speed specifications have been updated to reflect current industry testing methods. Average based on ISO/IEC 24711 or HP testing methodology and continuous printing. Actual yield varies considerably based on content of printed pages and other factors. For details see [http://www.hp.com/go/learnaboutsupplies](http://www.hp.com/go/learnaboutsupplies). Weight varies as per configuration. Either after first page or after first set of ISO test pages. For details see [http://www.hp.com/go/printercaims](http://www.hp.com/go/printercaims). For more information about page yields for replacement cartridges see [http://www.hp.com/go/learnaboutsupplies](http://www.hp.com/go/learnaboutsupplies) for setup cartridges click on Setup supplies link on the same page. Local printing requires a separate or built-in wireless connection to the printer. Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP web-connected printer. App or software and HP Smart app account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. Learn more at [http://www.hp.com/go/mobileprinting](http://www.hp.com/go/mobileprinting).
