Lenovo Smart Frame

Safety, Warranty & Quick Start Guide

Lenovo CD-3L501F

Read this guide carefully before using your device.

Reading before using your device

Reading first - regulatory information

Device models equipped with wireless communications comply with the radio frequency and safety standards of any country or region in which it has been approved for wireless use. In addition, if your product contains a telecom modem, it complies with the requirements for connection to the telephone network in your country.

Be sure to read the *Regulatory Notice* for your country or region before using the wireless devices contained in your device. To obtain a PDF version of the *Regulatory Notice*, go to https://support.lenovo.com.

Getting support

After the frame is installed, use your mobile phone to search for and download the Lenovo Smart Frame App from Google Play Store or Apple App Store to begin the setup process. To learn more, go to https://support.lenovo.com.

Accessing your *User Guide*

Your *User Guide* contains detailed information about your device. To download the publications for your device, go to https://support.lenovo.com and follow the instructions on the screen.

Legal notices

Lenovo and the Lenovo logo are trademarks of Lenovo in the United States, other countries, or both.

Other company, product, or service names may be trademarks or service marks of others.

LIMITED AND RESTRICTED RIGHTS NOTICE: If data or software is delivered pursuant a General Services Administration “GSA” contract, use, reproduction, or disclosure is subject to restrictions set forth in Contract No. GS-35F-05925.

Open source information

Lenovo Smart Frame (the “Product”) may include software made publicly available by Lenovo, including software licensed under the General Public License and/or the Lesser General Public License (the “open source software”).

You may obtain corresponding copy of machine-readable source code for any such open source software licensed under the General Public License and/or the Lesser General Public License (or any other license requiring us to make a written offer to provide corresponding source code to you) from Lenovo for a period of three years without charge except for the cost of media, shipping, and handling, upon written request to Lenovo. This offer is valid to anyone in receipt of this Product. You may send your request in writing to the address below accompanied by a check or money order for $15 to:

Lenovo Legal Department
Attn: Open Source Team / Source Code Requests
8001 Development Dr.
Morrisville, NC 27560

Please include the “Model” name and the “Build Number” of this Product as part of your request, which can be found in the “About Device” menu of the Lenovo Smart Frame application installed on your mobile device. Be sure to provide a return address.

The open source software is distributed in hope it will be useful, but WITHOUT ANY WARRANTY; without even the implied warranty of MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE. See for example the GNU General Public License and/or the Lesser General Public License for more information.

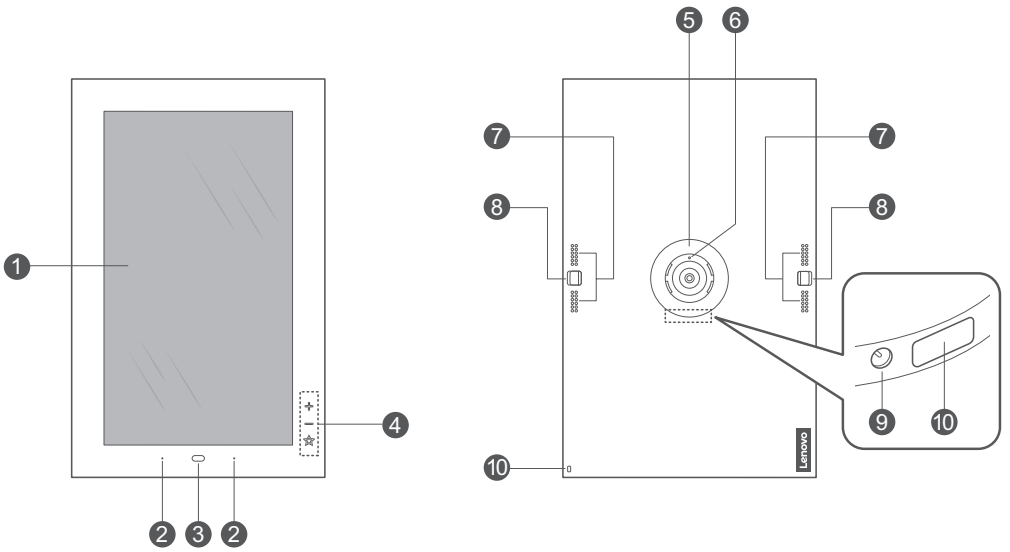
Device overview

Name	Model
Lenovo Smart Frame	Lenovo CD-3L501F



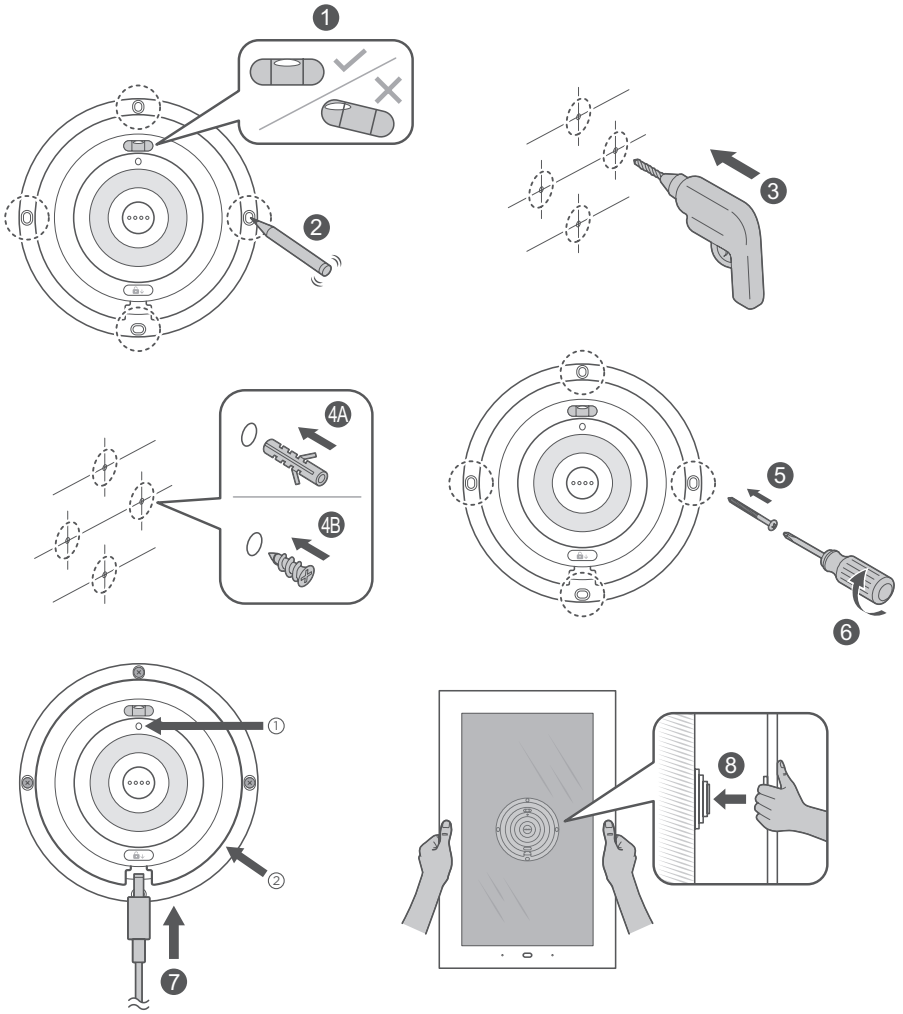
1. Screen
2. Microphones
3. Gesture/Proximity Sensor
4. Virtual buttons ①
5. Base
6. Positioning pin
7. Speakers
8. Unlock buttons
9. Power adapter connector
10. Service tool ②

All pictures and illustrations in this document are for your reference only and may differ from the final product.

① The virtual buttons will light up when you're near, specific functions are shown in the **Function Key**.

② Only used for after-sales service maintenance. Do not open the service tool cover. Doing so may cause permanent damage to the Lenovo Smart Frame.

Wall mounting



1 Make sure the level is on top and in a horizontal position.

2 Draw the position of the four holes with a pencil.

3 Use a power drill with a 15⁄64 inch (about 6 mm) drill bit to drill four holes in the wall.

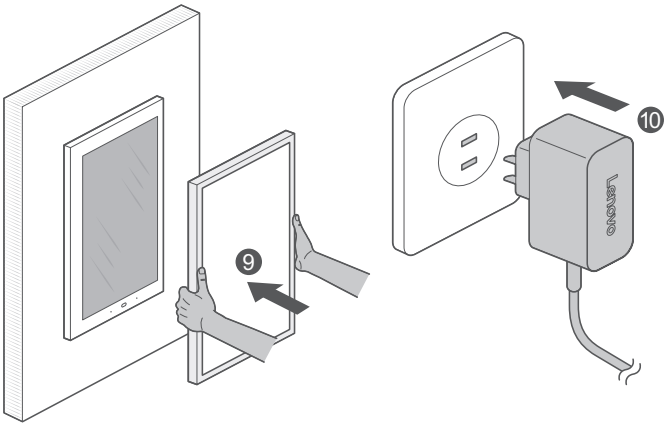
4 – 6 First install the plugs into the four holes, then place the mounting bracket and use a screwdriver and four strong screws to fix in place.

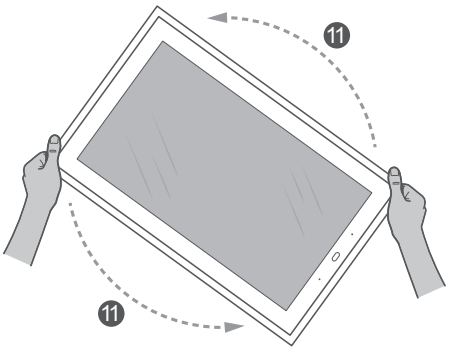
- For brick wall, use brick wall plugs and strong screws. (4A, 5)
- For drywall, use drywall plugs and strong screws. (4B, 5)

7 Connect the power adapter.

8 Place the main frame on the mounting bracket, and make sure the positioning pin is inserted into the *positioning hole* ①. A clicking sound indicates it has been installed correctly.

② The wall mounting bracket has a built-in reel to wind the cord around and keep the cord tidy.



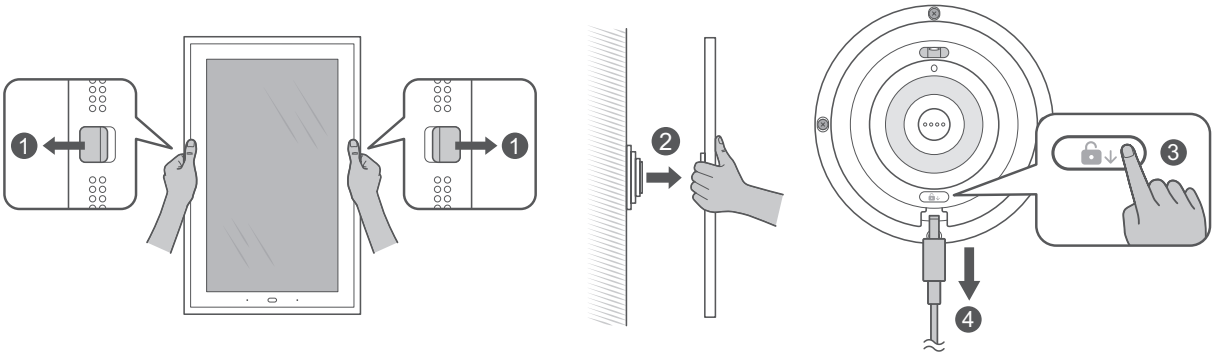


9 Install the outer frame gently to avoid accidental damage.

10 Plug the charger into the power outlet.

- Users can choose whether to first install the main frame or outer frame as needed.
- The product supports horizontal and vertical rotation.
- **Caution for outer frame edges.**

Removal Instructions



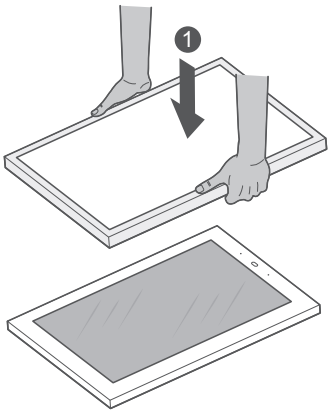
1 **Unplug the charger**, then pull the left and right unlock buttons outwards to unlock the frame.

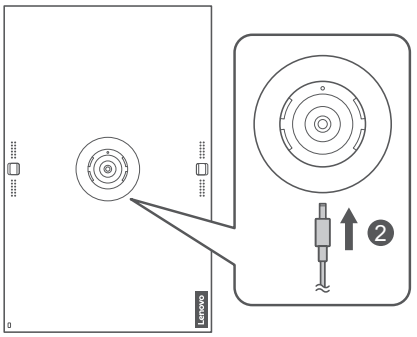
2 Remove the frame.

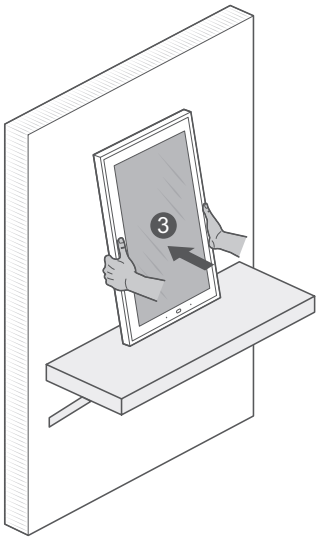
3 – 4 Press the unlock key, and pull the charging head gently.

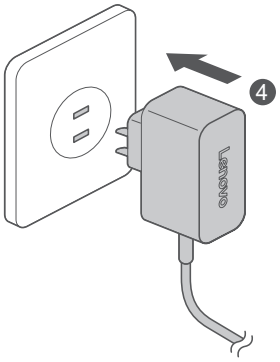
Users can also first remove the outer frame and then remove the frame. If starting from the outer frame, remove from the four corners.

Desktop mode





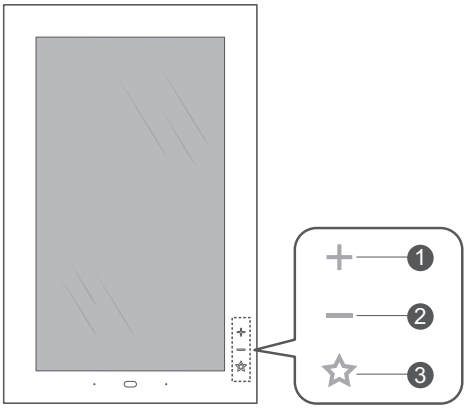




1. Install the outer frame gently to avoid accidental damage.
2. Connect the power adapter.
3. Make sure the bottom of the product fitting on the table completely.
4. Plug the charger into the power supply.

- The outer frame does not have an anti-slip feature, please pay attention to prevent the product from slipping when in desktop mode.
- **Caution for outer frame edges.**

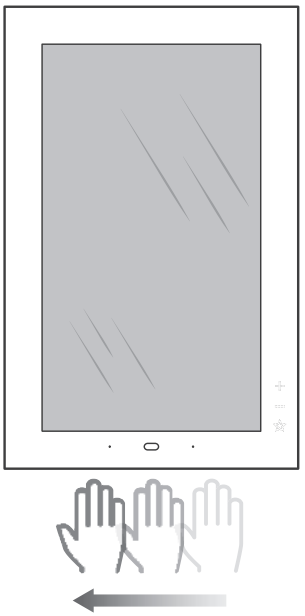
Function Key



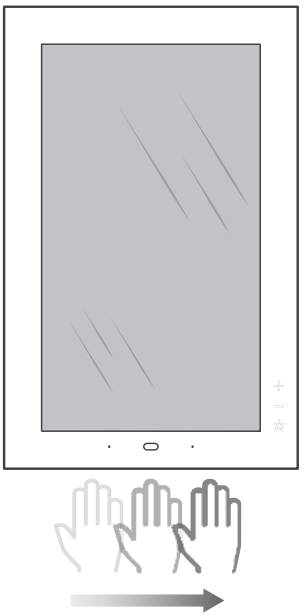
1. Single tap: Next item
2. Single tap: Previous item
3. Single tap: Next channel
   Long press (over 1.5s): mark or unmark a photo as a favorite

Press 2 and 3 simultaneously for 5 seconds to put the smart frame in reconfiguration mode.

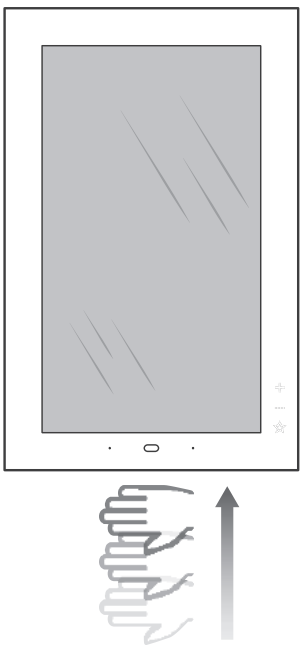
Gesture Control



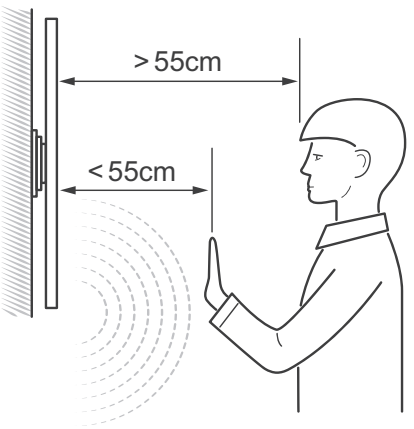
Swipe left for next item



Swipe right for previous item



Swipe up for next channel



Gesture sensing range

- The virtual buttons located on the right side of the frame will light up when you're near, indicating the frame is ready for gestures.
- To control the frame with gestures, make sure your hand slides parallel to the frame and through the range of the sensor. Users should stand within gesture sensing range for better using experience. Sunlight and bright light (>1000Lux) environments may affect use.

Important safety and handling information

Plastic bag notice

Danger: Plastic bags can be dangerous. Keep plastic bags away from babies and children to avoid danger of suffocation.

Safety instructions for parents and adult supervisors

Your device is not a toy. As with all electrical products, precautions should be observed during handling and using of electrical products to reduce the risk of electric shock. If parents choose to allow children to use the device, they should caution his or her child about the potential hazard, for example the outer frame edges, while using and handling the device.

Parents should inspect the device (including the ac power adapter and the small part, for example screws and plugs, as applicable) for damage after open the box. Make sure to keep these small parts away from your child to prevent accidential hurts especially swallowing. If any small parts have been swallowed or placed inside any part of the body, see immediate medial attention soon. Routinely check this device to ensure that the device is working properly and is safe for children to use.

Service and support information

Lenovo Limited Warranty notice

This product is covered by the terms of the Lenovo Limited Warranty (LLW), version L5050010-02 08/2011. Read the LLW at https://www.lenovo.com/warranty/llw_02. You can view the LLW in a number of languages from this website.

Warranty information

Lenovo provides a warranty period for your device. To check the warranty status of your device purchase upgrades, go to https://support.lenovo.com/warrantylookup, and then select the product and follow the on-screen instructions.

Get support

Log into Smart Frame APP, get support from Lenovo by entering “Help” page.

Visit Lenovo’s support website (https://support.lenovo.com) with the device serial number to get more Lenovo support options, or scan the QR code, and then follow the on-screen instructions.

Environmental, recycling, and disposal information

General recycling statement

Lenovo encourages owners of information technology (IT) equipment to responsibly recycle their equipment when it is no longer needed. Lenovo offers a variety of programs and services to assist equipment owners in recycling their IT products. For information on recycling Lenovo products, go to http://www.lenovo.com/recycling.

WEEE information

Electrical and electronic equipment marked with the symbol of a crossed-out wheeled bin may not be disposed as unsorted municipal waste. Waste of electrical and electronic equipment (WEEE) shall be treated separately using the collection framework available to customers for the return, recycling, and treatment of WEEE. Country-specific information is available at: http://www.lenovo.com/recycling

Recycling information for Japan

Recycling and disposal information for Japan is available at: http://www.lenovo.com/recycling/japan

Additional recycling statements

Additional information about recycling device components and batteries is in your *User Guide*. See "**Accessing your User Guide**" for details.
