

Study. Stream. Share. On a single charge.

Between home, school, and work – your mobile life demands a laptop that just doesn't quit. With a long battery life, the HP Stream does everything your smartphone can't. Post, play, and stay productive all day with the familiarity of a Windows laptop that's affordable, portable and incredibly stylish.

Extremely portable. Expressive design.

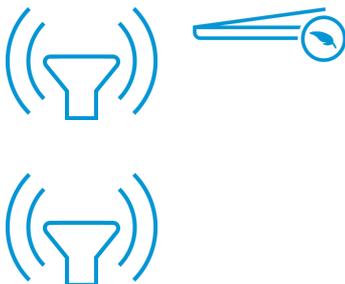

Live your best life on-the-go and in style with a slim, expressive design. With its smooth finish and vertical brushed pattern, find the HP Stream that perfectly fits your personality.

More features. More value.

With an AMD processor and long battery life^[1], work or binge-watch your favorite shows – all while staying under budget. Plus, stay connected with fast Wi-Fi, storage options, and all the ports you need.

Windows built for security

Experience peace of mind that comes with Windows built for security. Designed to run powerful Windows store apps exclusively – you can do it all with Microsoft Edge, Bing Search, Windows Defender and so much more.

Featuring

Dual front-facing speakers

Pump up the volume to your favorite music, movie or game. When your audio is directed towards you, nothing comes between you and your entertainment.

Choose your color

Personalize your PC with your choice of color, for style that matches yours. ^[13]

Sleek design

Easily take this thin and light PC from room to room or on the road. When your PC goes wherever you go, staying productive and entertained has never been easier.

Tuned stereo speakers

Through rigorous testing and refinement, HP custom tunes the dual speaker setup in every notebook for exceptional stereo quality.
