A Camera That Puts You First

Selfies are supposed to look good. The 24MP front camera gives you vivid day shots and draws in more light when it's dark for clear night shots. Therefore, you get great selfies all day.

24MP FRONT CAMERA

Samsung S5K2X5, Sensor Size 1/2.8, f2.0 Aperture

CAMERA SOFTWARE AI Mode

Activate A.I function for automatic scene detection to adjust your camera to the best scene detection.

Worry Less, Do More

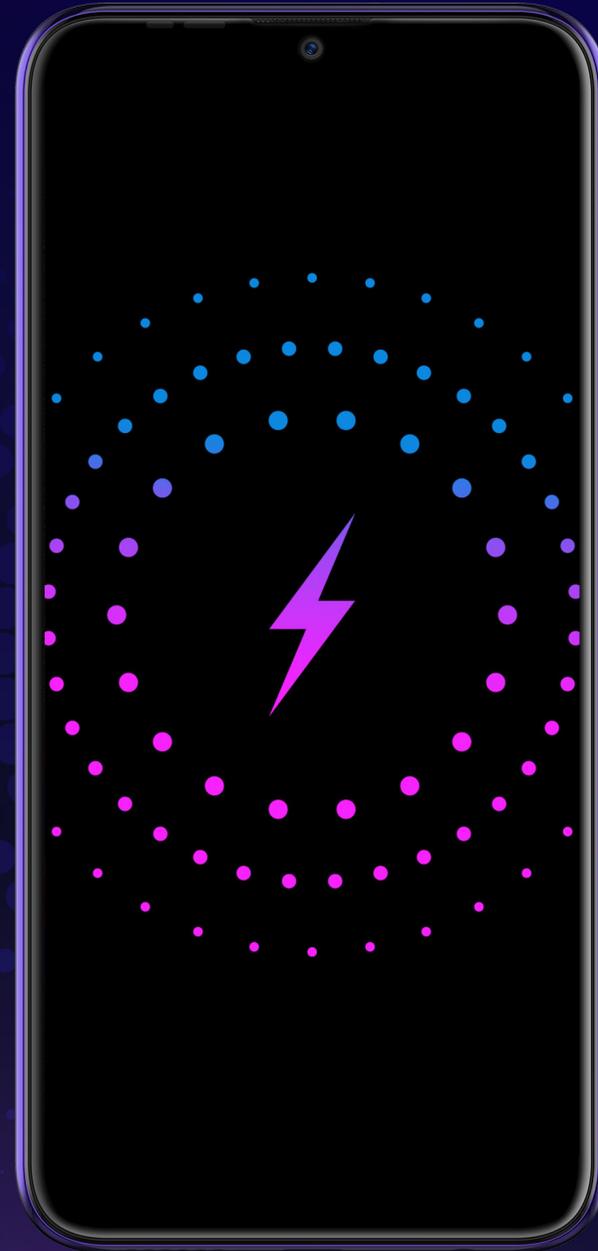

The G9 Pro is supported by a **18W Quick Charge Type-C cable** or a **10W Wireless Charging**. Both charging options create long lasting, 36 hour battery life which allow users to worry less and do more.

globally connected & dual sim

The World At Your Fingertips

Stay globally connected with friends and family while traveling the world. The G9 Pro comes with 3G 850/900/1700/1900/2100 and LTE 1/2/3/4/5/7/8/12/13/17/28 to ensure that you always have access to worldwide carrier coverage while you are traveling. Take advantage of different voice and data plans to get better rates, better coverage and separate bills with the G9 Pro Dual SIM slots.

OPERATING SYSTEM

Android 9.0 Pie

Android 9 harnesses the power of artificial intelligence to give you more from your phone. Now it's smarter, faster and adapts as you use it.

Android 9 adapts to you and how you use your phone, learning your preferences as you go. Your experience gets better and better over time, and it keeps things running smoother, longer.

App Actions predicts what you're about to do, so you get to your next task more quickly. If you do something like connect your headphones, the playlist you were listening to earlier is front and center.

Upgradeable to Android 10.0 and 2 years android security updates.
