

uDAC5

HIGH-RESOLUTION MOBILE DAC

NU FORCE

Designed for gamers, music lovers and movie fans at home, at work or on the go — if quality sound matters, you'll find the Optoma NuForce uDAC5 your essential companion. Crafted from aircraft-grade aluminum, the uDAC5 is not only one of the smallest and lightest Hi-res DSD DACs, but also one of the most powerful and best sounding portable headphone amplifier/USB DACs on the market.

- ESS SABRE Hyperstream DAC for the best file conversion
- High performance 140mW@32 Ohm headphone amplifier
- Supports virtually all file formats including DSD256 and up to 24bit/384kHz PCM
- USB-powered, no external power supply required
- Supports Windows and Mac

The Optoma logo, featuring a red swoosh above the word 'Optoma' in a bold, black, sans-serif font.
