

BLACKOUT YETI + GHOST RECON® WILDLANDS

Laptop Not Included

Ghost Recon® Streamer Bundle

Blue has teamed up with Ubisoft® to bring you the Ghost Recon Streamer Bundle: Blackout Yeti + Ghost Recon® Wildlands. Blackout Yeti is the gaming industry's #1 premium USB microphone, and delivers unparalleled depth and clarity to your Twitch® streams. Together with the much-anticipated open world tactical shooter game Ghost Recon Wildlands (PC Download, \$60 value*), this bundle gives you everything you need to game and sound like a pro.

Tom Clancy's Ghost Recon® Wildlands is the very first military shooter in a massive, dangerous, and responsive open world that you can play entirely solo or in four-player co-op. Facing an almighty enemy in a massive and hostile environment, the Ghosts, an elite US Special Forces team, will need to make critical moral choices and engage in tough battles to complete their mission – their grittiest and most dangerous operation to date.
