With "My Riding Stables" one of the most successful horse simulation series is finally debuting on Switch and PS4. Make your dreams come true on the stud farm near the old mill: renovate your own riding school, look after your horses and tend the cute little foals. As well as wonderful hacks, working in the stables and caring for the horses, you'll have plenty of other exciting things to do!

- **Large estate** with stables, riding arena, guest house, treatment centre, meadow and challenging routes to ride.
- **Breed your own foals**, with over 100 possible combinations
- **Pamper your horses** with curry combs, massages, showers and by cleaning their hooves.
- **Demonstrate your riding skills** on challenging cross-country rides.
- Gallop at full speed and handle the fabulous jumps on **9 riding courses** and in the open.
- **Exciting horse races** through stunning countryside.
- **Comprehensive business section** with the aim of running the best stud farm in the world.
