

Smart Nursery

# Humidifier +

Connected Humidifier with Air and Water Purification

MODEL: MBP83SN

## Your nursery just got smarter.

Help your baby breathe easy and sleep soundly with the Motorola Smart Nursery Humidifier +. This connected humidifier can be controlled with the Hubble app for smartphones and tablets. Increase the moisture in your nursery with four levels of cool mist diffusion with three programmable intervals, and enjoy the convenience of the easy to refill 1 gallon water tank and 14 hours runtime. The double filter design helps purify both the water in the humidifier and the air in your nursery, helping baby breathe better. With Motorola's Smart Nursery Humidifier +, your nursery just got smarter.
