

THIRD BRAKE LIGHT CAMERA

With Cargo and Side Blind Spot Views

For 2014 – 2018 Light Duty and 2015 –
2019 Heavy Duty Silverado and Sierra Trucks

ONE CAMERA – THREE VIEWING ANGLES

PCAM-CHMSL2-GM14

Add more viewing angles to your Silverado or Sierra Truck with the ultimate cargo cam! The EchoMaster Third Brake Light Camera is the one camera that will do it all – it will provide you with visibility into your truck bed and side blind spots.

The left and right blind spot views will automatically activate when using your turn signal. The ultra-low LUX video sensor provides superior day and night use.

This camera will work with 2014 – 2018 Light Duty and 2015 – 2019 Heavy Duty Silverado and Sierra Trucks that have a monitor with a standard video input.

Adding safety cameras can improve driver awareness, creating a safer and more informed driving experience.
