

# Beamo LED

Compact, Rugged and Powerful LED Light

JB01579-BWW

The JOBY Beamo LED light helps you capture even more astonishing iPhone videos and pictures when you're on the go. Its compact size and rugged construction make it easy to take anywhere, even 100 feet underwater. Beamo delivers the power of 1500 Lumens, which you can dim continuously or manually with five step buttons to find the perfect level for a cinematic finish.
