### USING YOUR SCREEN PROTECTOR

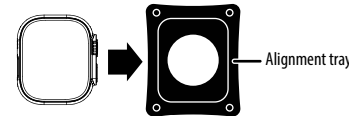

- 1** Remove the straps and bumper from your Apple Watch, then turn it off.
- 2** To prevent bubbles, first clean your watch screen with the wet cloth, then remove the moisture with the polishing cloth.

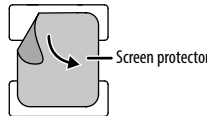

- 3** Press the dust absorption sticker pad to your watch's screen repeatedly to remove any remaining debris.

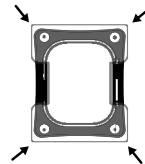

- 4** Place your Apple Watch in the alignment tray provided.

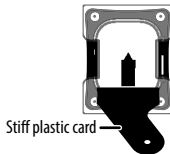

- 5** Use tab #1 to peel the film off the back of the screen protector, then discard the film.

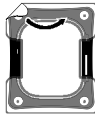

- 6** Align the four holes in the screen protector to the holes in the alignment tray and apply the screen protector to the face of your watch.

- 7** Use the stiff plastic card to press the screen protector to the face of your watch.

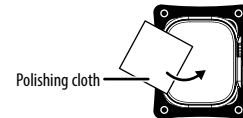

- 8** Peel the film off the front of the screen protector, then discard the film.

- 9** Remove your watch from the alignment tray.  
**10** If there are bubbles, press them toward the edges of the screen protector using a stiff plastic card or your fingers.

- 11** Remove smudges and fingerprints with the polishing cloth.
