- 48" built-in configuration -
- LED Lighting - Illuminates the fresh food compartment, vegetable drawer and climate-controlled drawers to spotlight food without compromising space
- Advanced temperature management system - A multi-shelf air tower keeps foods fresh by evenly distributing air through the refrigerator
- Upfront temperature controls with actual temperature display - Features easy-to-reach, easy-to-read temperature controls and displays the actual temperature setting
- Advanced water filtration uses MWF replacement filter - Reduces trace pharmaceuticals from water and ice* (* Removes 98% of ibuprofen, atenolol, fluoxetine, progesterone and trimethoprim. These pharmaceuticals are not necessarily in all users' water)
- Humidity-controlled drawers - Help preserve fruits, cheeses and vegetables
- Adjustable spillproof glass shelves - Raised edges help contain spills to make clean up quick and easy
- Large door bins - Offers ideal space for storing large containers in the door, freeing up valuable shelf space.
