

WIRELESS ALERT

Gate Alert Kit

Easy alert kit sounds an alarm when a gate or door opens

Ideal for Gates & Entrances

DIY

EASY INSTALLATION

WIRELESS

MAGNETIC TRIGGER

BATTERY OPERATED

- Easy to use do-it-yourself wireless alert system notifies you if a gate or door opens for home or business security
- Connect in minutes with easy mounting, pairing & convenient wireless operation (uses 3 x AA batteries for Speaker Receiver & 3 x AAA batteries for Sensor)[^]
- Position the Gate Alert & its 2 magnetic sensors on a door or gate, & if the sensors are separated a siren will trigger on the gate & on the Speaker Receiver Unit indoors
- It's perfect for notifying you if children or others have opened a gate to a swimming pool area, street etc with a delay switch to allow adults to open & close the gate within 7 seconds without triggering the siren
- The Speaker Receiver unit emits an audible alarm & lights up when the Gate Alert Sensor detects movement
- Choose between 3 volume levels for the alarm on the Speaker Receiver Unit or use silent mode with blue lights flashing on the channel linked to the Sensor
- Enjoy the convenience of wireless with a long range up to 200ft/60m* from the Gate Alert Sensor to Speaker Receiver
- Expand by adding more Sensors+ from the Swann DIY Alert Range for a customized alert system for your home or business.

+ Choose from extra doorbells, alarm sensors, or gate alarms, with the option to pair up to 45 sensors to one Receiver (up to 15 per channel)

[^] Batteries not included

* Depends on local conditions
