Trident 3

MSI equips gamers with the right Gaming Desktop weapons. Already having legendary weapons like the Nightblade and weapon shield Aegis, but now MSI gives gamers another powerful compact weapon to equip themselves to harness the power of Gaming. Take on your enemies with the Trident, this new weapon houses three powerful tips of secret powers that will make gamers real campions.

Silent | Compact | VR Powerful

These 3 tips of the Trident 3 make a powerful godly weapon created for gamers and used by them to win every encounter they face.
