## BEFORE YOU BEGIN

Before beginning assembly, make sure all parts are present. Compare parts received with the parts list. If any part is missing or damaged, do NOT attempt to assemble the product. Please read and understand this entire manual before attempting to assemble, operate or install this product. If you have any questions regarding the product, please contact Customer Service.

## GENERAL INFORMATION

Your new Miles Chat Set is made from the finest materials available. It should provide many years of enjoyment with minimal care.

Keep your Miles Chat Set clean. For best results, clean with a soft, damp cloth. If you use furniture covers, always make sure the Miles Chat Set is clean and completely dry before covering, as mold may form in dark, wet places. Remove any cushions prior to covering and store separately. Check the hardware on your Miles Chat Set regularly to make sure it is secure.

The weight limit for each chair is 350 lb.

## SAFETY INFORMATION

### WARNING

Do not stand or allow children to stand on the assembled product. Ensure hardware is securely in place. Perform periodic checks to make sure the connections are secure and adjust if needed.

### CAUTION

Read all instructions before beginning assembly. Failure to do so may result in faulty assembly and potential injury. Assemble the item on a soft, non-abrasive surface such as carpet or cardboard to avoid damaging the item.
