OVERVIEW

The MI-7270 mesh riser allows you to raise your laptop to a more comfortable and ergonomic position, and create more space to store your keyboard and mouse underneath the riser. The riser is easily adjustable to create a comfortable reading and typing experience. Tilted mesh platform draws heat away from your laptop and increases airflow to keep your device running efficiently. The legs of this riser feature silicone pads and a non-slip feature that will prevent your work surface from scratching if you move the riser around.

SPECIFICATIONS

- Compatibility: Laptops & tablets up to 17"
- Height adjustability: 2" - 5.5"
- Dimensions: 14.25" (W) x 9" (L) x 2" (H)
- Materials: Powder-coated steel with a wooden lip
