ATTACHING YOUR SCREEN PROTECTOR

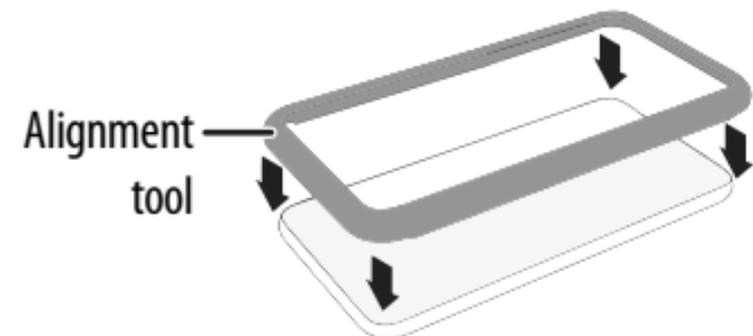

- 1 Remove your phone case (for easier install).
- 2 To prevent bubbles, clean your phone screen with the wet wipe, then remove moisture with the dry wipe.

- 3 Press the dust removal adhesive to your phone's screen repeatedly to remove any remaining debris.

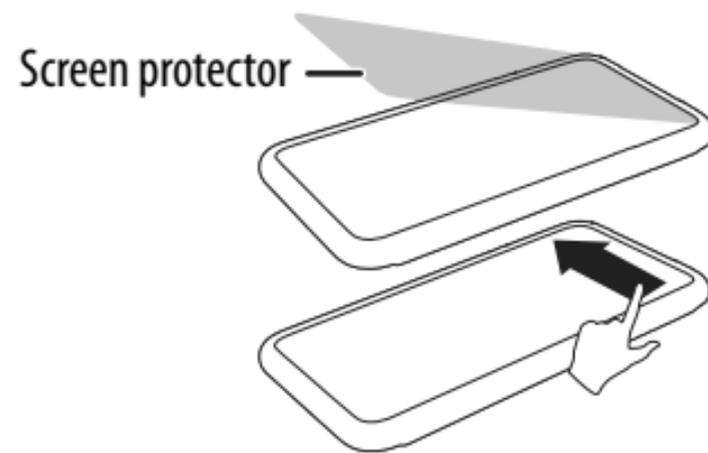

- 4** Push the alignment tool onto your phone until it snaps into place.

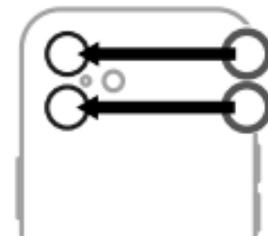

- 5** Use tab #1 to peel the backing film off your screen protector, then discard the film.

- 6** Align one end of the screen protector with the alignment tool, then press it down in the direction of the arrow (shown below), to adhere it to the screen.

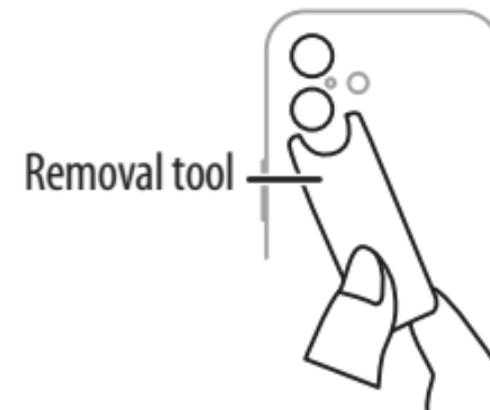

- 7** Remove the alignment tool.
8 If there are bubbles, press them out toward the edges of the screen protector with your finger.

- 9** Clean your lens with the polishing cloth, remove the lens protector's backing, then align and apply pressure to adhere it to the phone.

- 10** Use the removal tool to gently lift and remove the lens protector. Keep the tool for future use.

! Caution: If your screen protector cracks, dispose of it carefully and replace it promptly.
