

WINDOW AIR CONDITIONERS

Have you ever stood in front of the refrigerator to cool off? Affordable and easy to install, the Amana 5,000 BTU window-mounted air conditioner quickly cools a room up to 150 square feet. Features include mechanical rotary controls with 2 speeds and 4-way air directional air flow. Maintenance is made easy with the removable and washable air filter. Simply rinse every few weeks to keep your air conditioner at peak performance. At Amana we have exactly what you need to keep cool.

MECHANICAL CONTROLS
