Cook everything from simple snacks to main meals with the versatile Cuisinart® Basket AirFryer. This countertop cooker lightens up fried foods with fast and even hot-air-powered cooking — using little or no oil — for making healthy meals with the crispy crunch you love. Five popular pre-programmed settings, a toss notification to flip food mid-way through cooking, and convenient viewing window make it easy to airfry, roast, bake, broil, and warm food with delicious results every time. Lighten up your menu with the convenient AirFryer that does more for mealtime!
