

SOUNDBAR SPEAKER ADAPTERS

FOR JEEP WRANGLER JL MODELS 2018-2022 AND JEEP GLADIATOR JT MODELS 2020-2022

Built tough and made specifically for Wrangler and Gladiator, this kit includes all the hardware needed to upgrade your soundbar to fit better quality aftermarket speakers. This complete package includes adapter plates for mounting a pair of 6X9" speakers, or a set of 6.5" coaxial or 6.5" component speakers. The included speaker harnesses plug into the Jeep connectors, and provide a universal connection for new speakers. The speaker grilles feature a factory style pattern and texture and conceal the speakers for an OEM appearance.

Designed for Jeep

Designed to withstand harsh outside elements including water, dirt, dust and debris.

Better Performance

Upgraded speakers can handle more power, and produce better sound. Upgrade your sound system with the speakers you choose!

Perfect Fit

Engineered to fit the original soundbar and blend into the Jeep's original appearance.

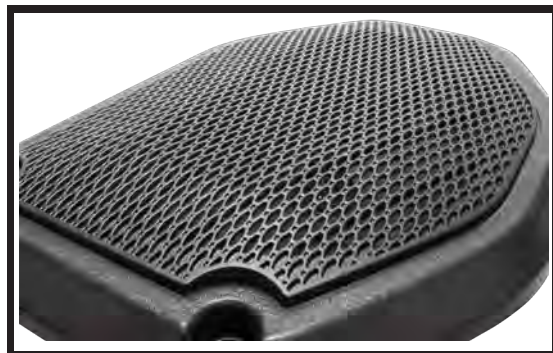

* modifications to the factory soundbar required
