POWER OVER ETHERNET

WEATHERPROOF

EXIR DAY/NIGHT VISION

See every detail in crystal clear, Super HD

- State-of-the-art security camera with outstanding 5 Megapixel Super HD video image clarity from 2.4 times as many pixels as 1080p & enhanced digital zoom providing close-up detail that is like comparing the difference between a VHS video tape and a Blu-Ray movie
- The camera has triple EXIR LEDs that emit a rectangular pattern for a more crisp & even night vision image. EXIR LEDs reduce over-exposure at the center of images & reduce darker areas at the corners, allowing you to see in the dark like never before for up to 100ft/30m
- Built to suit any conditions with weather resistant rating of IP67 for indoor & outdoor use, & is perfect for large areas such as yards, driveways, hallways, parking lots & more
- This camera can only be used in combination with Swann's Super HD & Ultra HD Network Video Recorders including NVR8-8000™ & NVR16-8000™ for cutting-edge IP surveillance^
- Professional surveillance camera gives you the peace of mind from being able to see the detail you need including license plates, faces, clothing colors & more, all in stunning 5 Megapixels
