NINTENDO SWITCH™

## HIGH SPEED USB 3.0 GIGABIT ETHERNET ADAPTER FOR NINTENDO SWITCH™

A high-speed USB Ethernet adapter made specifically for Switch and allows for a fast and secure connection while gaming. Designed to fit discreetly into the Switch charging dock and features a unique grill pattern that does not block the system's fan and allows for proper ventilation.

- USB 3.0 to RJ45 high speed adapter supporting 10/100/1000 bit Ethernet.
- Designed to fit directly in the Nintendo Switch™ charging dock for a discreet look that complements the console.
- Fast, secure wired connection for improved performance and security.
