Description

Vanquish the competition with the AH-370, featuring a radical compact design with the firepower to take on games from AAA to indie. Sporting a RYZEN 7 3700X 8-core CPU powerplant and cooled using TT ARGB 240mm AIO cooler, it doesn't matter if you are gaming or working it has the power to get the job done. Long load times are a thing of the past with the Seagate BarraCuda 1TB NMVe M.2. Targeting systems to the max, the NVIDIA® GeForce RTX™ 3070 has you covered for high frames and high resolutions. Coupled with Ray Tracing Technology games have never looked this good.
