

InfinitiPRO by Conair®

Quick Styling Salon Hair Dryer

Less frizz. Pro performance. Up to 50% faster drying.* Get it all with the Quick Styling Salon Dryer from InfinitiPRO by Conair.® As the #1 selling dryer** with thousands of consumer reviews,† this styling essential is your go-to for salon results at home. Get incredible volume with powerful airflow from roots to tips with a professional AC motor that lasts up to 3x longer.* Want smooth, shiny hair? Ionic technology gets it done, with up to 75% less frizz.‡ You'll dry fast with less damage because ceramic technology protects your hair with gentle infrared heat. Choose from 3 heat and 2 speed settings to get your look just right with the perfect speed and heat for your hair type. To dry with precision, attach the sleek

concentrator. Prefer more lift as you style? Attach the professional diffuser. The handle is designed to fit comfortably in your hand and make styling extra easy and comfortable. Once you've got your ideal look, lock it in with the true cold shot. Salon performance made easy!

Get incredible volume: Powerful airflow boosts your hair from roots to tips.

Salon performance: Up to 50% faster drying with a professional AC motor that lasts up to 3x longer.*

Smooth, shiny hair: Ionic technology ensures up to 75% less frizz.

Dry quickly with less damage: Infrared heat generated with ceramic technology is gentle on hair.

Lock in your look: True cold shot button freezes your look in place for a salon finish.

Lose the lint: Prevent lint buildup and extend motor life with the removable filter.

Dry with precision: Sleek concentrator focuses airflow for precise drying.

Add lift while you style: Professional diffuser boosts volume.

Get it right: Choose from 3 heats/2 speeds.
