**Overview**  
25 Word Product Description

CORSAIR ONE i145 redefines what you can expect from a high-performance gaming PC. Incredibly fast, amazingly compact, quiet and stunningly designed.

**Overview**  
50 Word Product Description

CORSAIR ONE i145 redefines what you can expect from a high-performance gaming PC. Equipped with the powerful Intel Core i7-9700K eight-core processor, NVIDIA GeForce RTX 2080 Super graphics and award-winning CORSAIR DDR4 memory, CORSAIR ONE brings all the performance of a top-end PC to an unbelievably compact, quiet, stunningly minimalist desktop.

**Overview**  
100 Word Product Description

CORSAIR ONE i145 redefines what you can expect from a high-performance gaming PC. Equipped with the powerful Intel Core i7-9700K eight-core processor, NVIDIA GeForce RTX 2080 Super graphics and award-winning CORSAIR DDR4 memory, CORSAIR ONE offers all the performance of a top-end PC, compressed into an ultra-small form factor and clad in 2mm-thick premium bead-blasted aluminum. A patented assisted convection liquid cooling system combines incredible performance with low temperatures and minimal noise, while built-in RGB lighting and powerful CORSAIR iCUE software lets you personalize your system's look and instantly sync lighting profiles across all your CORSAIR iCUE compatible products.

**Etail Bullet Points**

<b>1.CPU</b>	Intel Core i7-9700K (8-core, up to 4.9GHz), Liquid-Cooled
<b>2.Graphics</b>	NVIDIA GeForce RTX 2080 Super 8GB GDDR6, Liquid-Cooled
<b>3.Memory</b>	32GB (2x16GB) CORSAIR VENGEANCE LPX DDR4-2666
<b>4.Storage</b>	960GB NVMe M.2 SSD, 2TB HDD

<b>5.Add'l. Marketing</b>	CORSAIR ONE i145's processor and graphics card are cooled using a patented assisted convection liquid cooling system, achieving higher clock speeds, lower temperatures and minimal noise.
---------------------------	--

### Unique Selling Points

#### Style 1

- CORSAIR ONE i145 redefines what you can expect from a high performance PC. Incredibly fast, amazingly compact, and quiet, with a sophisticated design that lives on your desk, not under it.
- CORSAIR ONE i145 boasts the latest in performance PC technology, with an INTEL® Core i7-9700K eight-core processor, NVIDIA GeForce RTX 2080 Super graphics and award-winning CORSAIR DDR4 memory.
- Clad in a 2mm thick bead-blasted aluminum shell. CORSAIR ONE i145's minimalist ultra-small form factor is crafted to sit on top of your desk, not under it.
- Zero RPM Mode allows for quiet fanless operation when idle.
- CORSAIR ONE i145's processor and graphics card are cooled using a patented assisted convection liquid cooling system, achieving higher clock speeds, lower temperatures and minimal noise.
- Experience stunning multi-display immersion with support for up to three 4K displays with NVIDIA G-SYNC, VR and HDR.

#### Style 2

- **Fast, Quiet, Compact:** CORSAIR ONE i145 redefines what you can expect from a high-performance PC. Incredibly fast, compact, and quiet, with a sophisticated minimalist design.
- **State of the Art Performance:** CORSAIR ONE i145 boasts the latest in performance PC technology, with an INTEL® Core™ i7-9700K eight-core processor, NVIDIA® GeForce RTX™ 2080 Super graphics and award-winning CORSAIR DDR4 memory.
- **Like Nothing Else:** Clad in a 2mm thick bead-blasted aluminum shell. CORSAIR ONE i145's minimalist ultra-small form factor is crafted to sit on top of your desk, not under it.
- **Seen, Not Heard:** Zero RPM Mode allows for quiet, fanless operation when idle.
- **Patented Liquid Cooling System:** CORSAIR ONE i145's processor and graphics card are cooled using a patented assisted convection liquid cooling system, achieving higher clock speeds, lower temperatures and minimal noise.
- **Go Beyond 4K:** Experience stunning multi-display immersion with support for up to three 4K displays with NVIDIA® G-SYNC, VR and HDR.
- **Superior RGB Lighting and Personalization:** Built-in RGB light pipes and powerful CORSAIR iCUE software allow you to personalize your system's look and instantly sync lighting profiles across all your CORSAIR iCUE compatible products.
