

DCC-1500

Cuisinart® 12-Cup Coffeemaker

Savor delicious brewed coffee in style with the new 12-Cup Programmable Coffeemaker. With its modern curved design, this kitchen essential brings "fresh" to your cup and to your counter. Enjoy the convenience of preprogramming with 24-hour advance presets that accommodate any schedule, so a full carafe is ready to pour without any wait time. Make up to 12 cups in the ergonomic, easy-to-hold carafe that sits on a warming plate that keeps coffee hot for 2 hours, with an automatic shutoff setting. Set the clock, brew, run the cleaning process or sneak a quick cup in the middle of a brew cycle with the Brew Pause™ feature. The most delicious hot coffee is fast and fresh when filtered through both an easy-clean, permanent nylon coffee filter and a charcoal water filter. Freshen up your kitchen with the new 12-Cup Coffeemaker from Cuisinart.
