

CPT-520/540 2-Slice & 4-Slice Digital Motorized Toasters

CONFIDENTIAL
Illustration for Concept Purposes Only

Designed for complete convenience and versatility, the Cuisinart 2- & 4-Slice Digital Motorized Toasters feature a wide variety of functions and options. The lever-less design operates at the touch of a button. Toast an array of favorites to perfection with 6 custom bread types and 7 shade settings. Thanks to the QuickView™ and +30 Seconds features, it's easy to check progress and extend toasting times. Additionally, the MemorySet feature helps simplify your breakfast routine, giving the option to store and select favorite settings. Cuisinart's newest Digital Motorized Toasters do it all!

- **Lever-less operation with motorized lift**
- **6 bread types:** White, Wheat, Bagel, Pastry, English Muffin, Waffles
- **MemorySet feature**
- **QuickView** to check toast progress
- Defrost, **+30 Sec** and **Single Slice** options
- 7 shade settings
- Large digital display with countdown timer
- Stainless steel housing
