

## STREAM DECK MINI

### EVOLVE YOUR CONTENT.

Stream Deck Mini packs the same punch as Stream Deck – in an ultra-compact package that's easier on your pocket. 6 fully customizable LCD keys poised to trigger unlimited actions. One-touch tactile operation. Instant visual feedback. Advanced yet easy-to-use software. Traditionally this level of studio control was exclusive to mainstream entertainment broadcasters. Now, it's at your fingertips. So you can maximize your production value and focus on what matters most: your audience.
