

VIZIO

2019 M-Series™ Quantum
Product Guide

This is the M-Series™ Quantum.

Quite simply the best TV at this price. We've designed it to be super smart with features that you'll actually use, along with breathtaking picture quality that rivals any other TV in this class.

We do it by cutting out the junk, and instead, focusing only on what really matters. This is the latest technology made simpler, for you, for us, for everyone.

Yours truly,

VIZIO

Our Most Colorful M-Series™ Ever

Experience a world of extraordinary color with the all-new VIZIO M-Series Quantum 4K HDR Smart TV. **The first in its class to utilize cutting-edge quantum dot technology**, the M-Series Quantum delivers cinematic color intensity as more than one billion shades of colors jump to life.

UltraBright 400 produces bright, detailed highlights at up to 400 nits of peak brightness, while VIZIO's powerful **Active Full Array®** backlight offers up to 20 local dimming zones, resulting in deep black levels with stunning detail and contrast.

Featuring VIZIO's **SmartCast™ 3.0** with **Chromecast built-in**, streaming, controlling, and sharing your favorites has never been easier. And every M-Series Quantum makes a great smart home companion, with voice control support for **Google Assistant** and **Amazon Alexa**. Coming this summer, every M-Series Quantum TV will receive an update to enable **Apple AirPlay 2** and **HomeKit support**.

With a breathtaking picture and brilliant streaming solutions—the M-Series is the perfect entertainment centerpiece for any home.

Extraordinary Color

Quantum Color

VIZIO's next-generation Quantum Color delivers cinematic color intensity as **more than one billion shades of colors** jump to life. With VIZIO Quantum Color, viewers can experience every hue and tone with impeccable accuracy, for a nuanced picture that **stays true** to the creator's vision.

Deeper shades of black
with more local dimming zones

Luminous shades of color
from powerful peak brightness

80% of Rec2020 QUANTUM DOT COLOR

*Color defined as the color volume measured using Dolby's MDC (millions of distinguishable colors) specification that factors the range of colors and luminance levels; standard 4K HDR TV features rec709 color, up to 300 nits of brightness and no local dimming.

Picture of Perfection

Superior Picture Quality

To further enhance High Dynamic Range picture performance, the all-new M-Series™ Quantum uses powerful full array local dimming to push the boundaries of color, clarity, and contrast in every scene.

Active Full Array®

Up to 20 local dimming zones intelligently adjusts the backlight to match what's on the screen, resulting in deeper black levels with stunning depth and contrast.

UltraBright 400

Up to 400 nits of peak brightness delivers brighter highlights that more accurately reproduces nuances in every picture, revealing fine details that may get lost in light or dark areas of an image.

Dolby Vision™ HDR

A superior HDR standard for 4K video, capable of displaying a wider spectrum of colors and detail. This TV includes HDR10 and HLG content support as well.

4K Ultra HD

With over 8 million pixels—4 times the resolution of 1080p—enjoy every scene in breathtaking detail and crystal clear clarity.

About VIZIO

VIZIO's mission is to deliver the ultimate entertainment experience through our community of connected consumers. Through our connected entertainment platform, VIZIO is transforming the way consumers discover and experience content. Since our founding in California in 2002, VIZIO has built an industry-leading brand of products, including televisions, sound bars and other devices. VIZIO is a leading HDTV company, and America's #1 Sound Bar Brand¹ in America. VIZIO product leadership is highlighted by a number of industry reviews and awards; the 2018 collection was the most awarded in company history. The 2018 VIZIO SmartCast E-, P-, and P-Series Quantum TVs earned Reviewed.com Editors' Choice awards.² VIZIO's 2018 P-Series earned Wirecutter, a New York Times company's "Best LCD/LED TV," and the P-Series Quantum earned their "Alternate Pick."³ The 2019 P-Series Quantum X has already received a Best of CES 2019 award from both CNET⁴ and Digital Trends.⁵ The SB3621n-E8 sound bar still holds a 9.1 score and an Editor's Choice from CNET.⁶ They also described the SB36512 Home Theater Sound System with Dolby Atmos as "Excellent," awarding it 4 out of 5 stars.⁷ Wirecutter⁸ similarly named VIZIO's SB46514 Home Theater Sound System with Dolby Atmos as the "Best Sound Bar," while they named the SB3651 sound bar their "Best Budget Pick."
