100-Word Product Description	The CORSAIR HS70 SE Wireless Gaming Headset provides exceptional comfort for hours of gameplay with its comfortable memory foam and adjustable earcups. Legendary CORSAIR build quality ensures long-term durability, and precision-tuned 50mm neodymium speaker drivers deliver superior sound quality. Low-latency, 2.4GHz wireless and a detachable unidirectional microphone provide crystal-clear communication, and with over 16hrs of battery life you won't need to stop mid-game to recharge. Virtual 7.1 surround sound on PC immerses you in multi-channel positional audio, while plug-and-play compatibility with Sony PlayStation 4 brings wireless stereo audio to your living room.
50-Word Product Description	The CORSAIR HS70 SE Wireless Gaming Headset provides exceptional comfort for hours of gameplay with its memory foam and adjustable earcups. Legendary CORSAIR build quality ensures long-term durability and precision tuned 50mm neodymium speaker drivers provide superior sound quality. The low-latency, 2.4Ghz wireless and optimized unidirectional detachable microphone ensure crystal clear communication.
25-Word Product Description	The CORSAIR HS70 SE Wireless Gaming Headset provides exceptional comfort, superior sound quality, a fully detachable microphone, and up to 16 hours of battery life.
Product Features (Style 1)	<ul style="list-style-type: none"> • Plush memory foam and adjustable earcups provide exceptional comfort for hours of gameplay. • Legendary CORSAIR build quality and metal construction ensures long-term durability. • Precision tuned 50mm neodymium speaker drivers bring superior sound quality with wide range and accuracy. • Low-latency, 2.4Ghz wireless audio with improved range up to 40ft and up to 16 hours of battery life. • Optimized unidirectional microphone reduces ambient noise for enhanced voice quality and is fully detachable for use on-the-go. • Virtual 7.1 surround delivers immersive multi-channel positional audio on PC that puts you in the middle of the action.

- Plug-and-play compatibility with Sony PlayStation 4 brings wireless stereo audio to your living room.
- Easy access on ear volume and mute controls for on-the-fly adjustments.
- Discord Certified for crystal clear communication and outstanding sound.
- CORSAIR Utility Engine (CUE) software gives you full control over your headset's features through an intuitive and simple to use interface.

Product Features (Style 2)
