The VersaVu® Classic Case for iPad® (7th gen.) 10.2-inch provides protection and added functionality for your tablet. A flexible tray delivers all-around protection and rotates 360° to switch easily between portrait and landscape viewing—ideal for video conferences and catching up on FaceTime®—with unobstructed access to buttons and controls.

The tray is structurally designed to redirect sound for enhanced audio. The microfiber lining protects your screen from scratches, and deep grooves on the interior cover offer a stable base for a range of viewing angles. The case supplies military grade protection for drops up to 4 feet.

*As tested by an independent third party applying MIL-STD-810G, Method 516.6, Procedure IV
