IMPORTANT: EQUIPMENT WITH PRE-EXISTING CONDITIONS ARE NOT COVERED BY THIS PLAN. CONGRATULATIONS! Thank You for Your recent purchase of the SEAGATE® RESCUE Service Plan (the “Service Plan” or “Plan”). We hope You enjoy the added comfort and protection this Service Plan provides. By purchasing this Service Plan, You agree that these terms and conditions govern any service or benefit offered or attempted under this Service Plan. Please keep these Service Plan terms and conditions in a safe place along with the sales receipt/invoice that You received when You purchased this Service Plan and the original receipt for Your Equipment purchase, as You will need them to verify Your coverage at the time of service. This information will serve as a valuable reference guide and will help You determine what is covered by this Service Plan. From the day You purchase this Service Plan, We or Our authorized representatives, will assist You in understanding Your Service Plan benefits.

KEY TERMS: Throughout these Service Plan terms and conditions, the words “We”, “Us” and “Our” mean the party or parties obligated to provide service under this Service Plan, who is Seagate Technology, LLC, 10200 De Anza Blvd, Cupertino, CA 95014, USA. “You” and “Your” refer to the purchaser of the Equipment covered by this Service Plan, or to the person to whom this Service Plan was properly transferred. “Administrator” means the entity that is appointed by and/or contracted by Us to render certain data recovery services to You under this Service Plan. In the U.S. and Canada except for California, the Administrator is After, Inc., PO Box 451, Norwalk, CT 06852-0451, 1-888-240-9769. In California, the Administrator is After Solutions, PO Box 451, Norwalk, CA 06852-0451, 1-888-240-9769. For all other countries the Administrator is Seagate Technology, LLC, 10200 De Anza Blvd, Cupertino, CA 95014, 800-475-0143. “Service Plan Purchase Price” means the amount paid by You for this Service Plan; excluding any taxes and/or fees where applicable, as evidenced on Your Service Plan sales receipt. “Equipment” means the solid state drive (SSD), hard disk drive (HDD), multi-drive/device storage box, laptop or desktop computer, mobile phone, tablet, camera, drone, surveillance system (Personal Video Recorder, Digital Video Recorder), XBOX console, external hard drive or the SD Card, MicroSD, CompactFlash, memory stick, thumb drive, DVD, or other removable data storage device which You purchased and which stores the data that is covered by this Service Plan. Coverage is limited to a single data storage/memory drive/device per Service Plan as designated through the registration of Equipment at the time of Service Plan registration, unless You have purchased a “Family Plan” under which You can cover up to five (5) Equipment items in Your residential household with a single Plan. Family Plans are available only for residential customers. “OEM” refers to the Original Equipment Manufacturer of Your covered Equipment. “Pre-Existing Condition” means an issue that existed with Your Equipment prior to the issuance of this Service Plan. The last time stamp on the data written to or erased from the Equipment must be later than the date You purchased this Plan as evidence that there was no Pre-Existing Condition. IMPORTANT NOTE: ANY AND ALL PRE-EXISTING CONDITIONS ARE NOT ELIGIBLE FOR COVERAGE UNDER THIS SERVICE PLAN. You may also contact the Administrator for assistance in determining whether Your media storage device is eligible for coverage.

PRODUCT ELIGIBILITY: This plan can only be utilized for Equipment matching the type of Equipment and price band that appears on the receipt of Plan purchase, either in plain print or in the coding of the SKU number. Equipment eligible for coverage under this Service Plan must be purchased as new or factory-refurbished, which at the time of purchase included a manufacturer’s original or factory-refurbished warranty. This plan covers the data stored on Your Equipment. For a full list of exclusions from coverage, see the Section “WHAT IS NOT COVERED”. In the event You inadvertently purchase a Service Plan for Equipment not eligible for coverage, We will provide You with a full refund of the Service Plan purchase price and coverage shall be deemed null and void. Accessories and/or add-on options purchased separately and not essential to the basic function of the Equipment are not eligible for coverage.

SERVICES PROVIDED: We agree to have services performed that are designed to retrieve, while minimizing the damage to, the media files and/or data on Your Equipment in the event Your Equipment fails to perform during the term of this Service Plan. YOU ACKNOWLEDGE THAT THE EQUIPMENT MAY BE DAMAGED PRIOR TO OUR RECEIPT, AND YOU FURTHER ACKNOWLEDGE THAT OUR EFFORTS TO COMPLETE THE SERVICES MAY RESULT IN FURTHER DAMAGE TO OR THE DESTRUCTION OF THE EQUIPMENT WHICH MAY VOID THE EQUIPMENT OEM WARRANTY IF THE EQUIPMENT IS NOT A SEAGATE® DEVICE. To the extent possible, You should back up accessible data on Your Equipment before submitting it for service under this Service Plan. If the damage sustained to Your original Equipment is covered by the OEM warranty, then the OEM is responsible for providing You with a replacement device in accordance with the terms of the OEM warranty. In such instances, You have the opportunity to transfer the remaining coverage term under this Service Plan to that replacement device if You do not utilize the Services available under this Plan. IMPORTANT: Any services performed under this Service Plan is not a guarantee that lost data will be recovered; however, all reasonable efforts will be used to recover Your data through methods further explained below.

Under this Service Plan, Your Equipment is eligible for one (1) In-Lab Data Recovery attempt during the term of coverage and pursuant to the terms and conditions of this Service Plan, unless You purchased the Family Plan, in which case Your Equipment is eligible for two (2) In-Lab Data Recovery attempts. This Service Plan does not provide coverage for any of the losses set forth in the section titled “WHAT IS NOT COVERED”.

IN-LAB DATA RECOVERY: You will be asked to ship Your Equipment, or, if the data storage component of Your Equipment is removable to ship only the data storage component to Our designated laboratory facility to attempt the retrieval of Your data (“In-Lab Data Recovery”). When You ship Your Equipment to the laboratory facility, You must use packaging that provides protection for Your Equipment or the data storage component of Your Equipment to prevent any further damage during shipping. You are responsible for any risk of loss of the Equipment or the data storage component until it is received at the designated laboratory facility. For more information please contact the Administrator. In the U. S., Canada, and the EU, We will pay the shipping costs associated with shipping Your Equipment or the data storage component of Your Equipment to the designated laboratory facility, as well as the cost of shipping Your original Equipment and/or any other data storage media

SGT-DIR-OOBE-GLBL (02-15-17)
containing data recovered from Your original Equipment back to You, if any. In all other countries and regions, We may cover part or all of the related shipping costs; please contact the Administrator for more details. Upon receipt of Your original Equipment or the data storage component of Your Equipment at the designated laboratory facility, We will take the following action(s):

a. **RECOVERY EFFORT:** We will attempt to recover Your lost data and files.

b. **RETURN OF RECOVERED DATA:** Your recovered data (if any) may either be, at Our sole discretion, loaded on a media storage device or into a cloud-based data storage location from which Your recovered data will be available to You for sixty (60) days. If We elect to return Your data via a cloud-based data storage location, You may request the data be returned on a physical media storage device, though some charges may apply for the cost of the storage device in this scenario. If We choose, in Our sole discretion, to return the data to You on a media storage device rather than in a cloud-based data storage location, then there will be no charge for the media storage device in this scenario.

c. **ORIGINAL EQUIPMENT RETURN:** If You so request at the time of making the initial data recovery claim, We will return the original Equipment You send to Us back to You. NOTE: Data recovery efforts utilized during the In-Lab Data Recovery Service may render the original Equipment inoperable.

d. **SOFTWARE INSTALLATION:** You may need to reinstall Your software to Your Equipment. Installation or re-installation of any and all software shall be Your responsibility and is not covered under this Service Plan.

e. **DISPOSAL OF YOUR DEFECTIVE EQUIPMENT:** Because data recovery efforts utilizing the In-Lab Data Recovery Service typically renders Your Equipment or the data storage component of Your Equipment inoperable, the Equipment You send to Us will be subject to secure disposal following an In-Lab Data Recovery attempt, unless You request that We return the inoperable original Equipment back to You at the time of making the initial data recovery claim. To the extent possible You should back up accessible data on the Equipment before shipping it to Our laboratory facility for an In-Lab Data Recovery attempt.

### UNRECOVERABLE DATA:
In some cases Your data may not be recoverable. In such instances, You will be entitled to reimbursement of the purchase price of this Service Plan; which may be in the form of a retail gift card, at Our sole discretion, and We shall then be discharged from any further obligations under this Service Plan (the “Unrecoverable Data Reimbursement”), unless You have purchased the Family Plan under which You are entitled to a second data recovery attempt on one of Your other Equipment items. The Unrecoverable Data Reimbursement shall NOT apply in instances where partial recovery of Your lost data was successful; there must be a complete loss and non-recovery of data from Your Equipment to be eligible.

### WHAT TO DO IF YOUR EQUIPMENT REQUIRES SERVICE:
Contact the Administrator and explain the problem. You will be instructed on the next steps for filing a claim under this Service Plan. For faster service, please have Your dated proof of purchase (sales receipt) and Service Plan number available when You place the call. You may be required to provide a copy of Your proof of purchase for Your Service Plan (sales receipt) at time of service. **NOTE:** THIS SERVICE PLAN MAY PROVIDE NO COVERAGE IF YOU MAKE UNAUTHORIZED ATTEMPTS TO RETRIEVE THE DAMAGED OR LOST DATA (SEE “WHAT IS NOT COVERED” BELOW). Service will be provided during normal business hours only (9:00 a.m. to 5:00 p.m. local time in the U.S., Canada, Europe, the Middle East, and Africa).

### TERM OF COVERAGE:
Coverage under this Service Plan begins on the date of Service Plan purchase and continues for the period of time specified on Your Service Plan sales receipt; subject to the terms and conditions stated herein. In the case of Your Equipment being a Seagate® product that includes Seagate® data recovery as part of its manufacturer’s warranty, the coverage under this Service Plan will begin on the date the Seagate® product warranty ends.

### LIMITATION OF LIABILITY:
The following clause applies to the maximum extent permitted by the applicable law. Neither We nor the Administrator nor the Retailer shall be liable for any harm caused to Your Equipment (unless proven that such harm was caused intentionally); including any consequential avoidance of an OEM warranty resulting from services performed on Your Equipment in accordance with the terms and conditions outlined in this Service Plan. Without limiting the generality of the foregoing, We will not be liable for the condition, existence, or loss of the data You send Us or the data We recover (if any), any loss of revenue or loss of profits, or any indirect, special, incidental, or consequential damages however caused. To the maximum extent permitted by applicable law, this limitation shall apply to any and all damages, regardless of the legal theory on which they are asserted (including, without limitation, contract, breach of contract, and tort), and regardless of whether We have been advised of the possibility of loss or damages - unless You prove that We caused damages to You intentionally.

This Service Plan shall be considered fulfilled in its entirety, and We shall be discharged from any further obligations under this Service Plan, in the event We have rendered service for one (1) claim for the In-Lab Data Recovery Service, or in the case of a Family Plan, two (2) claims for the In-Lab Data Recovery Service.

To the maximum extent permitted by applicable law, Our maximum liability in connection with all claims processed pursuant to the terms and conditions of this Service Plan shall not exceed the MSRP of the covered Equipment (the “Maximum Liability Limit”) or replacement of the covered Equipment; whichever is lower. In the case of the Family Plan, Our maximum liability shall not exceed the MSRP of the two items of covered Equipment for which claims were made (“Family Plan Maximum Liability Limit”) or replacement of those same two items of covered Equipment; whichever is lower. In the event the aggregate sum of all claims processed under this Service Plan equals the Maximum Liability Limit (or in the case of the Family Plan, the Family Plan Maximum Liability Limit) or if We replace Your Equipment for any reason, Our obligations under this Service Plan shall be considered fulfilled in their entirety and We shall have no further obligation to service the Equipment (original or replacement piece) under this Service Plan. In no event will We or the Administrator be liable for any damages whatsoever that are in excess of the Maximum Liability Limit (or Family Plan Maximum Liability Limit as applicable), whether based on contract, tort, warranty or other legal or equitable ground, including without limitation damages for loss of data, property damage, lost time, loss of business profits, business interruption, or other pecuniary loss, or SGT-DIR-OOBE-GLBL (02-15-17)
incidental, consequential or indirect damages arising from the services performed pursuant to this Service Plan. This limitation will apply even if We, the Administrator or any of Our respective authorized entities, affiliates, dealers, agents, suppliers, or representatives have been advised of the possibility of such damage. By requesting the services described in this Service Plan You acknowledge that the charges reflect this limitation of liability and allocation of risk.
