Smart Security System
Professional NVR Series

4K ULTRA HD

16 x 4K Ultra HD Cameras

See what's happening from anywhere 24/7
A wired security system that allows you to see & stay connected at any time on your Smartphone or tablet

Detect the heat of people & cars
True Detect™ senses the heat from people & cars to send you push notifications & trigger video recording to the local hard drive. It's truly reliable security!

Speak to control what you see
Use voice commands, via the Google Assistant & Chromecast, to see video from the cameras on your TV. It's now even easier to see what's happening at home

Know when a package is delivered
Porch pirates beware! Now you can see when your package has been delivered, so you can go get it right away or notify a neighbor to put it somewhere safe

Safeguard loved ones, pets & property
The cameras are like another set of eyes allowing you to check in on your family, pets & belongings at any time to see that everything is okay. It's security made smarter!
