# COLORTRAIL

RSCW210 | RSCW410

RGBW  
LED WHIP  
WITH IMPACT  
PROTECTION RIBS

The COLORTRAIL 2ft and 4ft RGBW LED Whip Lights feature a stronger base for durability, offering endless dynamic color combinations and patterns. With a quick-connect base and IP65 weather resistance, these whip lights are built to withstand the elements while delivering vibrant lighting effects. They feature ENLIGHT10 app light control, and they are compatible with both Horizon10 and HEIGH10 systems.

Thanks to its flexible design, COLORTRAIL can easily fit into any space or configuration, making it perfect for everything from off-road adventures to boat lighting or showcasing your vehicle at a car meet. These lights are engineered for both style and longevity, turning heads wherever you go.

With COLORTRAIL, your ride will not only stand out but also be equipped with a high-performance lighting solution that is built to last.
