

Monster Boy and the Cursed Kingdom

A legendary game series returns with an all-new adventure and in stunning HD! *Monster Boy* is a colorful side-scrolling action adventure created in cooperation with Ryuichi Nishizawa, the creator of the famous *Wonder Boy in Monster World* series.

Monster Boy is being created to bring back the enjoyment of the classic games that shine by simplicity. Exciting gameplay, upbeat music and smooth graphics. You'll need to overcome huge bosses, find hidden passages, discover powerful equipment and use all your wits and skills to remove a powerful curse.

Transform into 6 different creatures, each with their own skills and abilities. Take advantage of all the unique powers to open new paths and advance in an epic story. We put all our passion into *Monster Boy* to create a truly enjoyable love letter to gaming from the 80's and 90's - will you join us and celebrate together with us?
