

KLIPSCH VEGAS

MUSIC CITY PARTY SPEAKER

WHAT HAPPENS IN VEGAS SOUNDS BETTER WITH KLIPSCH

Experience legendary Klipsch sound thanks to the Klipsch Vegas’ tried-and-true horn loaded tweeter technology. Combined with a 5.25” woofer and masterfully engineered acoustics, your new party speaker will be the talk of the town.

POWERING PAST SUNSET ON THE STRIP

Prepare your playlist for the long-haul. The Klipsch Vegas features up to 8-hours of battery life for shindigs that last well into morning after just 2 1/2 hours charging up.

NEXT-LEVEL LUMINOSITY

Big sound comes with a bangin’ light show thanks to RGB lighting in a variety of patterns and colors. App-controlled presets dazzle the front and sides of your new Klipsch Vegas.

DELIGHTERS FOR DJ’S

The Klipsch Vegas was built with professional party people in mind. Pole mounts and handles take your show on the road with style and ease thanks to thoughtful engineering. Bonus: we’ve included buttons for DJ sound effects so you can airhorn, scratch, and applaud to pump up the crowd.

LEVEL UP WITH PARTY LINK

Connect multiple Klipsch Music City Party Speakers via Party Link by simply pressing the Link Button on your speaker or within the Klipsch Connect Plus app. We like to think of it as *Pissing Off The Neighbors Mode* - debauchery not included. For now!

BOOSTED BASS FOR YOUR BEST BEATS

Crank up those low frequencies and buckle up because your Klipsch Vegas comes with built-in Ultra Bass mode. Just hit the button on your speaker or customize EQ settings in-app to deepen those drops and shake the place.

SING, SHRED, OR SNARE

Thanks to built-in microphone and 1/4” instrument input, your new Klipsch Vegas is your new go-to for karaoke nights and jam sessions. Further customize your experience with bass, treble, and echo adjustments.

BUILT LIKE A TANK

With rigorous quality testing from our friends at Onkyo, the Klipsch Music City Party Speakers have been put through the ringer to ensure they keep up with your party needs. Plus, they’re all IPX4 rated so a few pool party splashes won’t slow you down.
