SPEC SHEET

Hear the future of home cinema in one beautiful bar.

Powered by 13 high-end drivers, the AMBEO Soundbar delivers a 5.1.4 sound experience while also producing extremely deep 30Hz bass without the need for an extra subwoofer. And thanks to advanced room calibration, it immerses you in studio-grade sound adapted to the specifics of your living room for an unforgettable 3D experience.

Incredibly immersive 3D sound

- **Studio grade audio experience:** More dimension and more nuanced detail than you ever imagined possible.
- **Advanced room calibration:** Capture the characteristics of your room to create a 3D sound experience.
- **Built-in equalizer:** Tailor your listening experience to the way you like it.
- **Three bespoke AMBEO 3D technology modes:** Adjust the output to your own individual tastes.

No compromise

- **Advanced codecs:** Dolby Atmos, DTS:X, and MPEG-H
- **Upmix technology:** Turn stereo or 5.1 audio into a 3D sound experience
- **Advanced connectivity:** eARC & Dolby Vision, 4K passthrough compatibility, Bluetooth, Chromecast built-in.

Seamless control

- **Smart Control App:** Adjust your acoustic settings and tailor your sound to your own personal taste. Compatible with iOS and Android.
