

A large, delicious pizza with various toppings like pepperoni, cheese, and vegetables, served on a wooden board with a glass of red wine.

Cuisinart® | Pizza Oven

## CPZ-120 | Indoor Pizza Oven

### Make Restaurant Quality pizza right in your home kitchen.

\*Image for reference only – Design is subject to change

**UPP: \$399.95**

**Available: Aug/Sept 2023**

### Hotter than a Home Oven

Make 12" personal pizzas with bubbly cheese and perfectly charred crispy crust thanks to a max temp of 700°F max.

### Bringing People Together

Perfect for entertaining friends, getting kids in the kitchen, date night and interactive pizza night.

### Unlimited Possibilities

With a pizza cook time of less than 5 minutes, making personal pies from classic to customized is easier than ever.

### All the Right Tools

Included pizza peel, pizza stone (+cleaning tool) and deep-dish pan allows for endless pizza style possibilities.

Capacity for up to a true 12" round or square pizza

Independent digital timer allows for continual cooking without turning off the unit

Viewing window and interior light to check progress

Integrated cooking guide for quick reference and inspiration

700F max temperature for authentic restaurant quality pizza and "leopard spotted" crust
