POWERFUL SUCTION | 3 SPEED SETTING | RECIRCULATING OPERATION
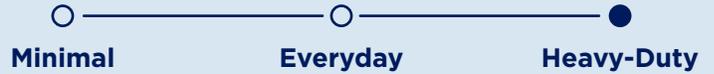

IN-R230　PRO-STYLE BUILT-IN　　　SIZES: 30" 36"

PRODUCT DESCRIPTION

Turns out you don't have to pick between Instagram-worthy and actually-functional. With the IN-R230, you get 390 CFM of lab-tested suction (because "trust us, it's powerful" isn't actually helpful) that somehow stays quieter than your neighbor's opinions. GU10 bulbs you can replace without calling in favors. The flush-mount design slides into your cabinet like it was born there. Finally, a solution that just makes sense.

WHAT'S INCLUDED

Dishwasher-Safe Baffle Filters (3), 6" Round Exhaust Adapter (1), Aluminum Foil Tape (1) and Microfiber Cloth (1)

OVERALL PRODUCT DIMENSIONS (WXDXH)

IN-R230SS 30": 28 ⅜" x 17 ⅞" x 14"

2-Year Limited Warranty and Lifetime Warranty on Motor

QUALITY CERTIFIED 2 YEAR WARRANTY | CUSTOMER SATISFACTION 100% GUARANTEE | ETL LISTED c us Intertek

FEATURES & BENEFITS:

FLUSH-MOUNT DESIGN:
Disappears seamlessly into your cabinet opening with zero visible lips or gaps for a truly built-in look.

390 CFM OF WHISPER-QUIET POWER:
Laboratory-tested suction with a uniquely designed duct system delivers professional ventilation without the noise.

THREE-SPEED PRECISION CONTROL:
Dual control knobs give you exact ventilation settings for everything from gentle simmering to high-heat searing.

BRIGHT LED LIGHTING:
Two GU10 bulbs that you can swap for different light tones or and easily replace when the time comes.

FULL-SIZE FILTER HANDLES:
Dishwasher-safe stainless steel baffle filters with ergonomic handles make cleanup quick and easy.
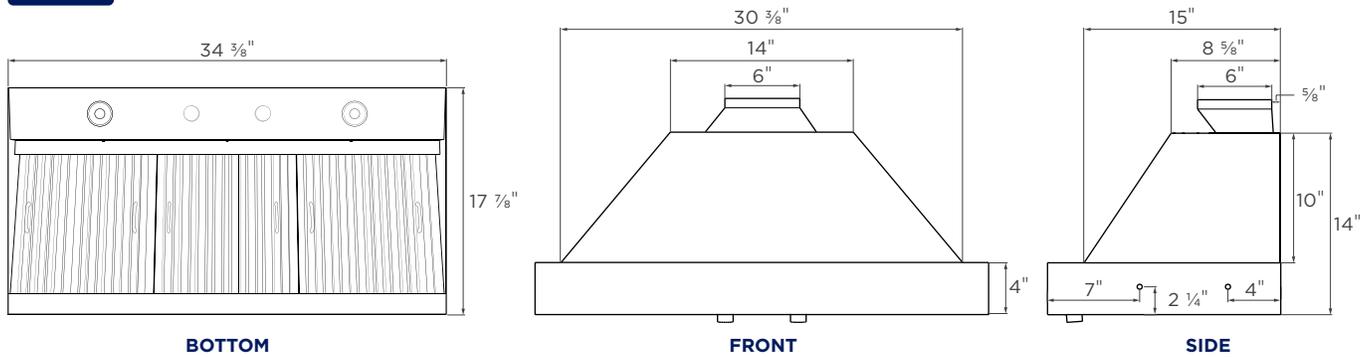

FLEXIBLE INSTALLATION OPTIONS:
Works with 6" round duct for vented installation or converts to ductless with separately sold CFI010 charcoal filters.
