Product **Description**

With an ultra-wide screen and stunning QHD 3440 x 1440 resolution, the ViewSonic® ELITE XG350R-C curved gaming monitor delivers an immersive viewing experience for esports and gaming enthusiasts. Equipped with ViewSonic exclusive RGB lighting technology, ELITE RGB, the XG350R-C beautifully illuminates gaming setups and synchronizes to other RGB peripherals without any additional software. Featuring an incredible 100Hz refresh rate, this AMD FreeSync™ gaming monitor virtually eliminates screen tearing and stuttering for fluid gameplay during fast-paced action scenes. On top of that, ClearMotion™ technology utilizes backlight strobing to produce clear visuals and drastically reduce image blur in fast-moving scenarios. For a game-winning competitive edge, ELITE Game Mode optimizes visuals for FPS, MOBA and Battle Royale games. By integrating HDR10 content support, this 35" curved gaming monitor delivers a high dynamic range of vivid color and contrast for incredible gaming and entertainment immersion. With an 1800R curved screen and ergonomic design, this ultra-wide gaming monitor provides extensive screen space and hours of comfort – so gamers will never miss a thing.
